Subject : Residential Service Telephone Connections of Officers of Deptt. of Telecom.

It has been seen that many officers of the Department are having two service telephone connections at their residences, the second telephone as an unlisted number. The second telephone at the residences is not as per the existing rules for service telephone connections. This can be provided only where exigencies of service so demand.

It has been decided that no officer, except CGM, GM(O) in Circles/Districts, Area GMs & Directors in Telephone Districts, G.M. Telecom District and TDM should have a second Service telephone at their residences. CGMs may therefore ensure that these instructions are strictly followed and a certificate to the effect that no officer except as mentioned above have a second service
